Growth Mindset Workshop

Wednesday, Sept. 10th 2025
2:00 pm – 3:00 pm PS-135 (in STEM-MESA center PS-121)

The terms growth mindset/fixe mindset describe the underlying beliefs people have about learning and intelligence. When students believe they can get smarter, they understand that effort makes them stronger. Therefore, they put in extra time and effort, and that leads to higher achievement.
